About Us ...

Living Springs Bible Camp (LSBC) is an interdenominational camp supported by the Evangelical Free Churches of, Meeting Creek, Millet and New Norway; Wetaskiwin Mission Church; Gwynne Community Church; & New Sweden Mission Church, as well as through a number of faithful friends not associated with any of these churches. Only a portion of the expense to operate this camp are collected through registration fees. Therefore, donations are greatly appreciated.

Why We Exist ...

Our goal is to provide a fun and safe camping atmosphere wherein campers can develop healthy relationships with staff, each other, and with God through His Son, Jesus Christ.
